St. Paul's Episcopal Church
914 East Knapp
Milwaukee, Wisconsin

Dear Sirs:

I am trying to locate any available records for my great-grandfather and his wife, Thomas and Elizabeth Mueller Cassin.

They were married October 27, 1887 by Rev. Charles S. Lester, in St. Pauls Church at the "corner of Marshall and Knapp".

Could you tell me if your church has records this old, or where I might write for them?

I am enclosing a check for \$5.00 to cover costs and a self-addressed stamped envelope for your convenience.

Sincerely,

Carol Springer

Campbell's Horse Foot Oil

Will make the feet of horses soft, but tough, healthy and strong. A positive preventative for contracted feet, shelly or brittle feet, quarter crack and corns. Also an excellent liniment.

Dear Aunt Massie:

How have you been? Think of you folks often but just never seem to get a letter off to you. So happy I could today. Many things have changed since we were home I'll bet. All the children have grown up and you have two married already haven't you?

And moved farther from us now, she lives in Santa Monica and its not too easy to see her and I miss her. We talk by telephone tho' and thats nice. Della will be 14 already next month and she's a big girl now. Sherry works for a Candy

company so we have lots of candy
around our house Aunt Blossie.

Do you think you will be getting
out here soon? We would love
to see you. Haven't been back
home since we moved out here
over 6 years ago and I think I'm
getting homesick for Chiago. I
love Chiago the most yet and
would love to get back there soon.

Marshall still works for the
Van Nuys newspaper and seems to
like it. We go to all the places
out here Disneyland, Knott's Berry
Farm and the rest and have a
good time, but I hear Chiago
has lots of new things too.

2. I'll bet Cheryl and Freddy are grown up by now too. How are all of them? Vern called not too long ago and you know she's living with Laurie now, a nice elderly lady. They both were fine and we were so happy to hear from them.

Not too much more ^{news} at this time, but I'm so happy I finally got a letter off to you.

Take real good care of yourselves now and write too if you can, we would love to hear from you.

All our love, X
X Ardelle X

On Our Mutual Birthday

(cont.)

passed away in 1971, Father arranged a trip there for Mother, Della & me. I have been very limited to the local area for over 3 years.

I have to realize it has only been a little over 2 months since Father has been gone, as it often seems longer. Take care,

Here's a wish for a Happy Day
and a year that's wonderful, too.

Here's a line to say it's great
to share "My Birthday with You!"

Love,

Sharon

Dear Flo,

I hope you enjoy your
day. I'm glad to hear that
you and Warren are able
to get around.

A few weeks ago I went
with Della to Monterey for 4
days. It was a wonderful
break for me. When our dog

Dear Flo,

I tried calling you one day and no answer. I thought, well she is partying this afternoon!!

I have been busy Christmas shopping, decorating tree and outside of house also inside too. The lamp posts outside have red bows and lights turning fountain, area swimming pool ^{around} area and walls around entrance of houses.

They start early here because the weather has been in the 70's. Yesterday it snowed and 28° - what a difference! Today the snow is on the ground and deep too.

Good day to write cards!

Stay well Flo and enjoy your family - Heather will be staying with me I am happy about that.

Love
Jeanne

Dear Carol,

Thank you for your kind letter; sorry to say I didn't do research on the Cassin side of the family. I didn't have much success after spending hours at the Mormon Church Library in Hemet, California looking at microfiche of passenger lists; very interesting but not productive for me.

I did buy "Prairie Pioneers of Illinois" published by the Illinois State Genealogical Society - P.O. Box 157 Lincoln Illinois 62656

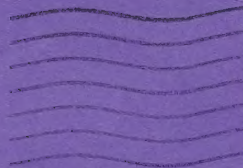

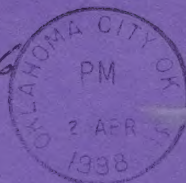

I took many trips when I lived in California so my interests were many, including a semester of French II at the college of Mt. San Jacinto and I worked as a volunteer at the Hemet Valley Hospital and I missed my job I had as a docent at the Mt. San Jacinto College Art Gallery. Nice friends I left in California.

I keep very busy here, frankly I like a lot of activity and adventure. I hope to get back to the family history again. Best wishes to all

Love,
Jeanne

Hi y'all:—

I am trying to catch up on the mail that accumulated during our absence. Of course, the first job was to write checks for bills in the mail that covered credit charges prior to our leaving. The real sock in the knicker will be the new bills. How about a thousand or two to cover?!

I have written letters of apology to several who ~~were~~, as most, that were perturbed over our short stay. In your case we did extend for another day as you did open up that hospitality stuff for which we are thrilly and deeply appreciative, as we enjoyed our stay tremendously.

We had fine weather all the way, except for a few hours twice. Altho, there was lots of fall color in ^{our} Wisconsin area, there were long stretches of the same in Utah. The aspens - golden yellow predominated. There were two stretches around Heber City that had deep wine reds and those plus deep greens and yellows were gorgeous.

(2)

Our objection is as usual - viz. most ideal picture spots were ~~not~~ impossible to photograph ^{well} due to no road turnout or narrow road confines. We did get quite a number and should be of interest to our local friends. They wait for our return as they expect to see them on our screens. We often put on such programs at luncheons of our groups.

There was no fishing for me as we had planned. There were quite a number of people fishing but the story was the same - it ~~had~~ been poor because of low water and heat. so I couldn't see any sense in spending \$5⁰⁰ for 2 days expenses and then no fish.

We did ~~see~~ ^{see} plenty of wild life. In fact I hit a deer and killed it in the Uintah Mtns above Vernal in the early morning light. I had kept my speed way down but this critter jumped across the road and would have missed him but he turned quickly in front of the car to start back. Broke his neck and no blood but a slight dent in the hood and ^{one} smashed head lamp. All paid for by the insurance company already. Saw another deer crumpled next to pavement only 150 ft further. Then Bea saw a doe and $\frac{3}{5}$ small fawns later.

Otherwise all is normal around here. Will be heading for San Diego soon and will see Lu & Norm, too.

Flossie wrote and said Fred has used his weekends to take Geneva and other nearby spots. It sure must be quiet around her house at such times.

Must close now and thanks again.

Sincerely
Bea and Tom

Dear Florence

After bringing this card
from Calif. to mail it out here.
I am late anyway... forgive me!
Saw your Mom this afternoon & was
so happy to have such a nice
visit with her.

Must go back to Polish next
week & expect to leave at the end
of the week. I'll be terribly
sorry if I don't see you and I
hope you will come to Calif. soon
& will understand that not having
a car while here is a handicap.

Your Mom looked a little thin
to me & unsteady on her feet, other-
wise pretty good.

I hope you & yours are well
& that your birthday was all that
you expected - your family with
you.

Dear Folks:

Its been such a long time since I wrote to you I'm almost ashamed to start this letter, I really feel bad about it. But you know I do write real often to your Mom and I'm sure you read the letters as they are for you as well as for her, in that way you do hear from me.

Yes, I'm awful sorry I didn't see you folks when back east but my hands were tied and I couldn't ask the folks to drive me to Ft. Wayne altho I wanted to. I could have rented a car and really thought about it but money doesn't grow on trees and I have to be careful of what little I have. I also have a cousin living in a retirement home in West Branch, Iowa who is 94 years old, whom I wanted to visit and who was sort of expecting me and that was another disappointment. But I did see your Mom and that helped a lot.

Aside from those two instances I had a very nice time while in Joliet. I also spent some time in Glen Ellyn and visited friends in Chicago, and I can't complain as Mary-Louise was very generous driving me around. And of ~~o~~ course you know it was thru the generosity of my dear Nephew and his wife that I made the trip to the east. Yes, Christmas came real early for me this year, and I don't why I deserved it.

I know you had a marvelous time in Colorado last summer fishing and ~~was~~ visiting with Lila and Byron. You must get together again real soon and I wish I could join you at that time but such trips are a thing of the past with me but as I always say, I have my memories.

I received a Christmas card from Audry giving me her new address but I had already sent a card to her Glendale address and I suppose I won't be hearing from her again. When Tom was still here she sort of forgot about us and it was we folk that made the first step, but I'm not about to do ~~it~~ that, now that Tom is gone I'm sure she couldn't care less about me.

I have been trieing to find a nice comfortable retirement home as I'm not getting any younger and there will come a time when I will have to. I have found several lovely ones but they were much too expensive (naturally) but I'm not discouraged and so I'll keep looking until the right one turns up. I have been feeling pretty good, have a bit of arthritis in my right leg and have a few aches and pains in other places occasionally otherwise I'm O.K. If Tom was only here I would be on top of the world.

I hope Lucille in Lakeside is feeling better, I suppose you hear from her and when you write her remember me to her. I would like to drive down to see her but thats a long ride since the gas rationing.

And now I'll say 'Bye with love to all, as always

Bea

*God saw he was getting tired

So, He put His arms around him and
whispered "come with me."
With tearful eyes we watched him suffer
and saw him fade away.
Although we couldn't bear to lose him
we could not bid his stay.
A golden heart stopped beating,
hard working hands laid to rest.
God broke our hearts to prove to us,
He takes only the best.

FOR CHRISTMAS AND THE NEW YEAR

LILA and BYRON CASSIN

Dear Florence & Warren! Still beautiful weather in Denver
We did have a couple of short snow storms. Not really
for Xmas - never am. Still need clothes to take, shipping
to do & wrapping to do. It will be a short Xmas this year.
Byron has been sick for a week & we thought &
hope it will be a short one.
Linda pulled a surprise on us - she is to be a mother
again this summer. Byron is popping her bubble
she said with this gas shortage we could take her to
the hospital on a fake what a sad fate! Enough gas to
get to work! Hope they solve the gas shortage soon.
We still think of the gas & time we had while you
were here and hope you can make it again this next
summer. I've been promoted to buyer. Trying to
learn my new job and brain & new girls do when
I come home at night. I'm "bushed". It will take time
I guess. Hope you are both well. We are happy & working
hard. With love Love Lela & Byron

Dear Florence & Warren

Hope you are well and that this years cold is not as bad as last years. We had a very mild winter last year and of course not too much moisture. This year lots of wind but lots of snow in the mtns - where it belongs.

Byron is well - still working - we traded our Carryall International and travel trailer in on a mini mtn home - now we can carry our rest room with us. With my health problems we couldn't use the trailer cause when I have to go I have to go.

My troubles are 8 times in the hospital in 2 years - am now on disability very weak and tired and have a couple of good days then 2 or 3 days of pain etc. Most of

my trouble is Colitis - Dr Rein is
talking about an ostomy operation
but I'm not ready for that yet.
I've had a Hysterectomy, left kidney
stone operation, left leg blood clot
and septic shock and between
that 2 or 3 hospital admissions -
so I've kind of had it.

Byron is full of patience with
me because I can't go as much
as he would like - and you
remember how we used to go
all the time. We have a couple
of good fishing holes - so next
summer - think about coming
out.

Write soon

Dear Florence + Carol
after 58 years I lost Byron. Poor
dear suffered with cancer for over
2 years. The last was pretty bad.
He went to the hospital Jan 14
and died on Linda's birthday
Jan 25th.

Winona was with Linda + I
all this time. Bless her heart
as we lost Virginia last year.

We had a beautiful service - not
a dry eye in the church. He had
many friends + everyone liked
him. I'm with Linda now - as
I walk with a walker + she
wants to keep an eye on me.
My new address is P.O. Box 714
Wellington, Co. 80549.
I still can't believe this all
happened. We send our Love
Lila + Linda

Dear Florence & Warren Jan 27, 1989
Surprise! Surprise! I've been trying
to get this letter off for even
months - In fact I don't think I
even sent to many Xmas cards.
We sure don't want another
6 months like the last six
months. Win & Les came out
the last of April. I told Winona
about Byron (not feeling too good &
acting out of character). I tried to
get him to the Dr for a check up - he
said No Way - until he had to have
a check up for a re-issue of his
medication. They found he had
High Blood Sugar - diabetes after
many tests. He keeps it under
control by diet one diabetes pill
a day - Thank God no shots - but he
does have to test his blood
twice a day. He even has a little
computer machine to do that.

Win & Les asked us to come for a
visit the end of August.
Everything was nearly set with

least see Dad - when Dad
asked to see him. or even
volunteered to take care of
him at that end - it might
cost him?? They live in Texas
maybe that's their problem.
Enough of this - I haven't
felt so good since my
operation - stomach, nerves
or something. But I'm
working on it & hope to
get better. Byron is well -
has energy but Lady has
lost so much weight
I call him "Old Wrinkles
Butt." No wonder his old
WW2 Sargent when he saw
us at the Rainbow Sir Reunion.
"Cassin I would of known you
anywhere - you haven't changed
a bit." I wonder what that would
do to our ego?? Take care

were leaving the 25th for a week.
They called us the 24th of Aug early
in the morning to tell us we
had to move dad, Hurry Hurry to
get him a Nursing Home pack &
move & sign him into Columbine
Care so we could get to Denver
at a decent time. We stayed one
week but it's a long way.
After I had a physical, first of
Oct. + X Rays & etc they
found cancer in my left breast.
I had my left breast removed
Nov 4th which wasn't too bad
but then I got walking pneumonia

4

I had to sit up to sleep, after
so many pills I got better then
on Dec 12th my Dad died. after my
return from a pr appointment
the nursing home called me.
Running around trying to make
plans for the funeral I got another
batch of pneumonia. We had to
take Dad back to Salina, Ks to
be buried next to my Mom. The
Docs said No Way could I go -
so Linda in Denver & her son
Tarek rented a car - cause her car
was not reliable to get her there
and back. Byron was going but
decided to stay with me.
What makes me mad Dad wanted
to see my brother Hank
before he died. But he is
living - his wife makes all
the decisions - he has retired
so had nothing to keep him
home except his dumb wife.
She has a son & daughter living
near her. He could of come to all

Christmas, 1968

Heigh -- and a Merrie!

And may Santa bring you all you wish, this happy holiday season. Hate to think of all the times we thought of you this year and didn't write -- but glad that Christmas has skated around again so contact can be re-established.

It will be fun for us having a full family again around the Yule log. Susan (our teen-aged faculty wife) and husband, John, will be shooshing in from Hollins College, where Susan continues as a biology major while John teaches physics. Peter may hitch a ride on their sled runners part of the way, on his way back from William and Mary, where he is swimming with the varsity as a freshman.

Jeff is getting ready to fly the igloo next fall and Mike then will be our only stay-at-home. But this Christmas will be great, having them all here.

Win enjoys her part-time teaching at Radford College. Les is trying to determine just what academic vice presidents do when they have any spare time. Apart from that, life is bee-yoo-ti-full in the Virginia mountains. And we hope it is so with you and yours.

Do have a Merry Christmas and accept our very best for a prosperous, boisterous, marvelous 1969. We'll continue to think of you.

With a hoisted cup ---

Win, Les, Jeff, Mike, and Peter
